1 OIAN

Table 1: Teres Minor OIAN

Muscle	Origin	Insertion	Nerve	Action
Teres Minor	Lateral border of scapula	Greater tubercle of Humerus	Axillary n. (C5, C6)	External rotation, weak adduction, stabilizes GHJ

1.1 Origin

Lateral border of scapula¹

1.2 Insertion

Greater tubercle of Humerus¹

1.3 Innervation

Axillary n. $(C5, C6)^1$

1.4 Action

External rotation, weak adduction, stabilizes GHJ¹

2 Palpation

3 Test

• ERLS (Possibly)

Dysfunction
